Outstanding healthcare opportunity

We are looking for passionate, caring individuals who are interested improving the health of the Fair Haven community. For over 40 years, FHCHC has been a leader in health care in Connecticut and is focused on providing excellent, affordable primary care to all patients, regardless of insurance status or ability to pay. FHCHC is proud to have a diverse and motivated team of professionals who are constantly seeking ways to enhance and improve the health and well-being

Job Description

Job Title: Family Practice/Internal Medicine Physician

Position Type: Full time

Job Purpose: To provide high quality health care to the patients of the Fair Haven Community Health Center in the primary care setting consistent with FHCHC policies and mission.

Duties and Responsibilities:

- Provides primary medical care by caring for all patients in accordance with the physician's medical specialty.
- Develops a plan of care for each patient, including medical history, physical examination, diagnosis and appropriate treatment and/or referral, including hospitalization if necessary.
- Uses all available resources in diagnosis and treatment, such as laboratory and others tests in an appropriate and cost efficient manner.
- Confers with other clinicians, patient's families and other support staff concerning treatment and care of patients when appropriate.
- Refers those cases which require specialist services, but maintains primary care responsibility to assure continuity of care.
- Maintains accurate medical records and performs appropriate charting and follow up on patients.
- Participates in Medical & General staff meetings and appropriate clinical teams.
- Participates in the Health Center's Quality Improvement program, in other task committees as needed, and pursues continuing education opportunities to update medical knowledge and assure quality patient care.
- Performs other necessary duties as required by the FHCHC to achieve the goal of providing high quality service and health care.

Qualifications and Skills:

- Graduation from an accredited medical school with a degree of Doctor of Medicine or Doctor of Osteopathy
