### How long does it take to be tested?

If you have an appointment, it will typically take less than 10 minutes for you to complete your registration and be tested.

### Can I get my child tested?

Yes, we perform COVID-19 tests on all ages from 0 - 100+.

### How will I receive the results?

Results will be available in your MyChart account and to the ordering provider.

If you scheduled your test through our self-scheduling website, you will receive a call from the YNHHS COVID-19 Call Center if you have a positive result. Negative results only will be available through MyChart.

### What is the cost of a COVID-19 test?

All tests will be billed through the individual's medical insurance. According to our guidelines at this time, patients will not receive a bill for testing, even if you do not have medical insurance.

### How long does it take to get my results?

Most results are available in your MyChart account and to the ordering provider within 24 - 48 hours.

### What should I do if I test positive?

It's important to call your primary care provider. If you do not have one, please contact the YNHHS COVID-19 Call Center at 833-ASK-YNHHS (833-275-9644), 7 days per week, 7 am - 7 pm.
