About FHCHC's SBHC Behavioral Health Care

Fair Haven Community Health Care's school-based behavioral health is a safe haven for students, providing confidential counseling and behavior modification practices for all John B. Sliney and Mary R. Tisko students, regardless of their ability to pay.

Children experiencing any of the following would benefit from behavioral services/weekly therapy:

- Struggling with anxiety, depression, trauma, or any other mental health issue
- Crisis intervention
- Bullying, including cyber-bullying
- Peer conflict
- Family conflict
- Emotion regulation
- Other childhood challenges

One-on-one counseling for all ages is available, as well as family therapy and group therapy. Group topics will be determined based on student needs.

If you have a question, would like to make a referral, or schedule a confidential conversation about a student, **please call Jenna at:**

- **203-481-5386 for JBS families, and**
- **203-483-1826 for Tisko families.**

Fair Haven Community Health Care is proud to be part of the JBS and Tisko schools student success team!
